your mission

haere mai – welcome aboard

You are Captain Tāne for this fully narrated Wellington adventure.

Follow the flight plan in your EFB/NavLog while Aroha does the narration for you across Wellington, Porirua, the Kāpiti Coast, the Hutt Valley, and Wellington Harbour.

Fly a Cessna 172 or H125 helicopter (MSFS24) / Bell 407 (MSFS2020) as you discover rugged coastlines, Māori legends, native wildlife, famous film locations, hidden local gems, and some of New Zealand's most spectacular scenery.

With real human Kiwi narration, local humour, Te Reo Māori lessons, conservation stories, with Approximate 75–90 minutes of immersive narration, this isn't just another sightseeing flight.

It's Wellington brought to life from the sky.

ready?

meet aroha

your guide for today's adventure

Kia ora! I'm Aroha, your guide for today's adventure through Te Whanganui-a-Tara (Wellington).

As we fly, I'll share local stories, waiata (Māori songs), fascinating history, and a few classic Kiwi insights along the way.

Whether it's your first visit to New Zealand or your hundredth, I hope you'll discover something new from the skies above.

Ngā mihi!

Haere tātou! (Let's go!)
